When you arrive for your appointment please park in the area marked on the map and use the back entrance to my home which is a driveway on Galland Street. From the intersection of Keokuk and Galland the driveway is the first entrance on the right going west on Galland. Walk up my driveway (photo 1) through the back entrance (photo 2). If the door to my treatment room is open please ring the bell and let yourself in. If the door is closed please take a seat on the deck. Thank you.
